Hindi

PROFILE

Motivated and enthusiastic final year B.Tech student with a passion for web development and software engineering. Experienced in creating interactive and engaging web applications using HTML, CSS, and JavaScript. Eager to leverage skills and knowledge to contribute effectively to dynamic projects and teams.

WORK EXPERIENCE

Worked as a Front - End developer

Freelancer 2023-2024

Projects:

- Digital Clock

Developed a digital clock application using HTML, CSS, and JavaScript. Implemented features such as displaying current time and date.

- Form Validation

Created a form validation system using JavaScript to validate user inputs. Implemented error handling for ensuring data integrity.

- Media Player

Designed and implemented a media player interface using HTML, CSS, and JavaScript. Integrated features such as play, pause, volume control, and progress bar.

- Snake and Ladder Game

Developed a classic Snake and Ladder game using HTML, CSS, and JavaScript. Implemented game mechanics and user interaction functionalities.
